TRAINING OFFERS

2024-2025

DEPARTMENT OF PROCESS ENGINEERING

Licence	Process Engineering Petrochemical Industries
Master	Chemical Engineering Environmental Process Engineering Materials process engineering Petrochemical Engineering
Engineer	Process Engineering

DEPARTMENT OF CIVIL ENGINEERING

Licence	Civil Engineering Public Works
Master	Structures Materials in Civil Engineering Roads and Art Structures
Engineer	Civil Engineering

DEPARTMENT OF ELECTRICAL ENGINEERING

Licence	Electronic Electrotechnical
Master	Industrial electrotechnical Renewable energies in electrotechnical Electrical grids Electronic of embedded systems Telecommunication systems Industrial Informatics and automation
Engineer	Electrotechnical

DEPARTMENT OF MECHANICAL ENGINEERING

Licence	Energy Mechanical Construction
Master	Energy Mechanical Construction
Engineer	Mechanical Engineering

DEPARTMENT OF ARCHITECTURE

Architecte	Architecture
