1st International Webinar on Valuation and Management of Animal Biodiversity

« 1st IW-VMAB »

June 1st - 2nd, 2022 - ORAN, ALGERIA

Aims:

The first international webinar, Valuation and Management of Animal Biodiversity “VMAB 2022” aims to bring together scientists and researchers as well as breeders and practitioners so they can exchange, share their experiences and the results of their research on all aspects of the characterization and valorization of animal genetic resources. It will provide an interdisciplinary platform to present and discuss concerns and practical challenges encountered as well as innovations and solutions adopted in the fields of VMAB 2022.
