

VIRTUAL OPEN DAY

Erasmus Mundus Joint Master Degree Photonics for Security Reliability and Safety

November 23rd, 2021

Learn more about the programme, courses and all the benefits of studying in one of the leading European masters in Photonics, Artificial Intelligence and Nanotechnologies. Presentations by the four universities: UJM (France), UEF (Finland), UPEC (France), POLITO (Italy)

Register at master.PSRS@univ-st-etienne.fr to participate

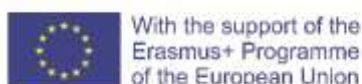

Morning Session
[Join this session here](#)

- | | |
|-------|----------------------------------------------------------------------------|
| 9h | General presentation of the master |
| 9h45 | Admission, scholarships, tuition fees |
| 10h30 | Second year at UPEC - Specialization in Biometrics and Intelligent Vision |
| 11h15 | Second year at POLITO - Specialization in Micro-nano-Technological Devices |
| 12h | Second year at UJM - Specialization in Photonics and Machine Learning |

Afternoon Session
[Join this session here](#)

- | | |
|-------|----------------------------------------------------------------------------|
| 13h | General presentation of the master |
| 13h45 | Admission, scholarships, tuition fees |
| 14h30 | Second year at UPEC - Specialization in Biometrics and Intelligent Vision |
| 15h15 | Second year at POLITO - Specialization in Micro-nano-Technological Devices |
| 16h | Second year at UJM - Specialization in Photonics and Machine Learning |

Time is UTC+1 (Paris time)
