The delinquent child between judicial prosecution and educational protection in light of national legislation and international law

Organizes: a national conference

Via google meet

Forum Date April 13, 2025

Legal Mechanisms to Combat Adolescent Substance Abuse.

General Supervisor : Pr.Feninekh Abdelkader

General coordinator: Dr.ouafi hadja

Conference chair : Dr. Hassaine mohamed

Preamble to the Conference:

in Algerian society, especially since it targeted child and the The reasons for it varied

criteria varied, which constituted a real danger to society and the family, and what ignited the alarm is the transfer of the acts to the school environment, which resulted in a high The rate of school violence towards adolescents and teachers ; which led to a decrease in academic performance and disruption of family and social stability.

family and social stability, resulting in children resorting to turning to drugs such as cannabis and hashish and hard substances such as hallucinogenic pills of all kinds. So what ; is the main reason why narcotics, what are the ways to prevent them, and has the Algerian legislature been able to the Algerian legislator to find mechanisms to curb this phenomenon?

Objectives of the forum:

- 1- Highlighting the causes of drug use by children
- 2- Determine the resulting effects
- 3- Determine the role of the security and judicial authorities in limiting this phenomenon
- 4- Determining the role of civil society to reduce the phenomenon and take care of Children addicted to drugs
