

**People's Democratic Republic of Algeria**  
Ministry of Higher Education and Scientific Research

## Press release

July 1st 2020

### **Notice to bursaries holders who are still abroad :**

- *Exceptional National Programme 2018-2019 (PNE in Fr)*
- *Algerian-French Cooperation Programme PROFAS B+, 2018-2019 & 2019-2020 classes*

The Ministry of Higher Education and Scientific Research is pleased to inform bursaries holders participating in the above programmes, and whose scholarships have expired during the Covid-19 pandemic, that their scholarships have been exceptionally extended to help them maintain themselves and cover their expenses during their stay overseas.

The ministry of HESR always looks forward to supporting and facilitating the stay of our fellows (164) teachers and doctoral students in their host countries, particularly during this difficult period.

\*As a reminder, this notice applies to those who were unable to return to their home countries and got stuck after the closure of borders, due to the pandemic, in the countries listed below:

France, Spain, Romania, Turkey, Malaysia, Great Britain, Portugal, Belgium, Italy, the United Arab Emirates, the Netherlands, Canada, Egypt, Tunisia and the Sultanate of Oman.
