ACCOMMODATION

ACCOMMODATION

The city of Mostaganem has 8 university residences. These residences are privileged living spaces for students, providing an ideal environment for pursuing their studies while benefiting from a conducive setting for socializing and exchanging ideas.

In order to provide students with a quality welcome and living experience throughout their educational journey, a comprehensive and varied range of services is made available, including:

- Catering (restaurants, cafeterias, food shops, etc.)
- Accommodation options (university residences)
- Financial assistance (scholarships based on social criteria, specific aids, etc.)
- Social support and health services (psychologists, doctors, infirmary, etc.)
- Cultural, artistic, and sports activities to animate campus life.

SPORTS AND CULTURAL ACTIVITIES

SPORTS AND CULTURAL ACTIVITIES

The university is often regarded as offering a variety of academic programs, such as **bachelor's degrees**, **master's degrees**, and **doctoral degrees**, which allow students to specialize in specific fields and validate their knowledge.

In addition to theoretical learning, the university, through its support structures (Entrepreneurship House, Career Center, Intensive Language Teaching Center), also fosters the development of transferable skills such as critical thinking, problem-solving, communication, and teamwork.

These skills are essential for students' professional and personal success, regardless of the field they specialize in.

SPORTS AND CULTURAL ACTIVITIES

Like any university, the different campuses are places of study but also spaces for living, exchanging ideas, and socializing.

In terms of personal development, students can participate in artistic, cultural, or sports activities organized throughout the academic year by the Sub-Department of Cultural and Sports Activities.

If you find it difficult to work effectively at home or if you lack a quiet environment to concentrate, university libraries are designed to provide a calm and conducive atmosphere. They are often respected as serious workspaces, which helps to avoid typical distractions.

SPORTS AND CULTURAL ACTIVITIES

The University has a central library. it's composed of several decentralized libraries affiliated with the faculties and the Physical and sport education Institute.

The scientific club is an effective and highly stimulating means of initiation into flexible sciences and techniques.
